Dear Josh:

I would like to join the Council on Foreign Relations and have been asked to supply a letter written by a member supporting my application.

Would you be kind enough to perjure yourself on my behalf. I suspect, as is usually the case, this will require a considerable amount of perjury, as flattery will get you everywhere.

perjury is indicated

I very much appreciate your doing this.

With kind regards and many thanks.

Sincerely,

Jack

Edwin C. Whitehead

*I'd be happy to.
Could you send me a C.V.
and any additional narrative
relative to your foreign affairs
interests?*
